

Faculty Tips – Import

Introduction

Use the Import function if there is material that you would like to merge/import from a previous semester's Moodle shell to the current Semesters Moodle Shell. For this example we will import ,14/FA LEPP-165 to 15/FA LEPP-165.

Import

On the left hand menu of Moodle under Administration select Import

The following screen appears. By default the first 10 Moodle shells of the current semester appear and the message: There are too many results, enter a more specific search. Perform a search in the search window. Type 14/FA LEPP-165 (or the course you are looking for) > Search. Note that you will need to enter the semester and course name as shown in the screen shot.
