

## About me

Name: Robert Hoff

Program: Associate of Arts

Location: Burnaby Campus

Why I would like to be elected to the Board of Governor's: I am an older student in the Process of a career change moving into social work, I want to work with men ages 18-30ish In order to support them through reintegration into society after gang/crime ties. I love being A part of NVIT, and I believe I can do good things given the chance to represent.
